

# DRAWING DICTATION

Listen and Draw!

She's a funny woman with wild, curly red hair and bright green eyes. She wears big, purple glasses that sit a bit crooked on her nose. Her face has a lot of freckles and she always has a big, cheeky smile. She's wearing a bright yellow dress with big polka dots. The dress has a shiny silver belt with little stars.

Her shoes are neon pink high heels, which make her look taller but she wobbles when she walks. Around her neck, she has a big, chunky turquoise necklace with large beads. Her wrists are covered with many colorful bangles that jingle when she moves. She wears big hoop earrings, one silver and one gold.

On her head, she has a floppy, multicolored hat with a wide brim. There is a pencil tucked behind one ear, ready for her to write or draw something funny.
