

1. Look at the picture of the world's most famous band from 1960 to 1970. Can you tell their names? What do you know about them?

2. Listen to the song and fill in the gaps.

She said
"I know what it's like to be dead
I know"
And she's making me feel like I've never been born
I said
"..... in your head?
Things that make me feel
And you're making me feel like I've never been born"
She said, "You don't understand"
I said, "No no no, you're wrong"
When I was a boy

Everything was right

Everything was right

I said

"Even though you know"

I know that I'm ready to leave

'Cause you're making me feel like"

She said, "You don't understand what I've said"

I said, "No no no,"

When I was a boy

Everything was right

Everything was right

I said

"Even though you know what you know

I know that"

'Cause you're making me feel like"

She said

She said

I know what dead

I know what it's like to be dead

I know what it is to be sad

I know sad

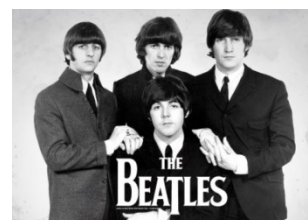

I know what it's like to be dead

I know what it's like to be dead

What is the song about?

Discuss with your partner.

Now report to your partner
what she said.....

*Key: what it is to be sad, Who put all those things, that I'm mad, what I've said,
what you know, I've never been born, you're wrong, I'm ready to leave, I've
never been born, it's like to be, what it is to be*
